

Hope is a powerful thing.

*Hope Beyond Measure is an \$85 million campaign built upon Mosaic's strategic plan to successfully overcome today's challenges, transform the organization and prepare for the future.*

Mosaic is built on a foundation of hope—Hope Beyond Measure.

## HOPE INSPIRES

Hope inspires creativity and change. **Goal: \$20M**

### Personalized Services

**Challenge:** People with disabilities and their families deserve and expect more choices than were offered in the past.

**Hope Beyond Measure:**

- Supports the growth of Mosaic at Home (shared living).
- Transforms day services.
- Expands in-home support offerings across the network.
- Enhances group residential settings.
- Promotes whole-person services.

### Complementary Services

**Challenge:** There are growing, emerging and diverse needs that Mosaic has the skills and expertise to meet, which fit within the scope of our mission.

**Hope Beyond Measure:**

- Fosters innovation such as expanding in-home services that meet emerging community needs.
- Enables development of new service models.

### A Place for Faith

**Challenge:** Non-profit, faith-based voices are more important than ever to ensure personalized services given the changing provider landscape.

**Hope Beyond Measure:**

- Grows the Rejoicing Spirits inclusive worship model.
- Expands partnerships with seminaries.
- Expands the work of Mosaic's Church Relations program.

### International Outreach

**Challenge:** In many areas of the world, including Tanzania, people with disabilities face stigma and neglect with no access to medical services or educational and employment opportunities.

**Hope Beyond Measure:**

- Adds more community centers providing life-changing services in Tanzania.
- Supports in-home services for children in rural areas.
- Grows income opportunities through vocational training and small business loans.
- Positions Mosaic to support new international partnerships.

## Technology Framework

**Challenge:** *Modern technology solutions are essential to address the complexity of healthcare today and support growth.*

**Hope Beyond Measure:**

- Enables personalized technology solutions for people to receive needed services while promoting independence.
- Allows Mosaic to build the integrated, digital tools required to refine data gathering, analysis and timely reporting to support meaningful quality measures.
- Transforms Mosaic's IT infrastructure, systems and processes to become more secure, user-friendly, effective and reliable.
- Prioritizes information and data security, reflecting Mosaic's needs as a healthcare organization.

## Recognized Leader

**Challenge:** *The healthcare environment is rapidly changing.*

**Hope Beyond Measure:**

- Enables Mosaic to continue its leadership of and partnership with other values-driven organizations to deliver quality, personalized services.

## Ensure Independence

**Challenge:** *The Mosaic Foundation assets need to keep pace with ongoing growth of the organization.*

**Hope Beyond Measure:**

- Secures Mosaic's mission as a faith-based, independent, nonprofit organization.
- Positions Mosaic to grow The Mosaic Foundation's total assets to \$150 million by 2030.
- Enables funding from The Mosaic Foundation to match the rate of growth with the number of people supported by Mosaic.

## Securing the Future

**Challenge:** *Government funding is uncertain and doesn't provide enough support for people with disabilities to thrive.*

**Hope Beyond Measure:**

- Strengthens The Mosaic Foundation to support the organization in challenging economic conditions and weather unpredictable events such as the recent pandemic.
- Supports the Mosaic workforce with additional resources.
- Funds research and development for mission-driven innovation.
